July 23, 1959

Dear Prof. Lederberg,

as I have promised to you at Royamount I send you the part of my contribution to discussion, in which I have tried to estimate quantitatively one of the assumptions of the clonal selection theory. I would like to hear your opinion now when you have the written figures.

I send my best regards to your wife and you and hope that when you come next year to Europe you will certainly visit Prague.

Yours sincerely

Jan Šterzl
